

Western New York Remediation Section
September 20, 2016

New Cassel (Jennifer LaPoma): OU1 RD: Revised AOC, Pre-Design Investigation Work Plan, and Statement of Work sent to PRPs on 8/10. PRPs provided responses on 9/14 about their willingness to proceed with negotiations. The Eastern Plume parties expressed willingness to sign an agreement. The Central Plume parties expressed willingness to sign an agreement with the inclusion of specific language to ease their concerns about EPA's review of the PDI Recommendations Report. The Western Plume parties expressed that their insurance will not

likely not pay for any work. ORC has arranged for a group in EPA HQs to review their insurance claim. EPA HQ's review is expected to be completed by the end of September.
